

Application for the JCLT Youth/Student Advisory Board

The Jacoby Creek Land Trust Youth/Student Advisory Board will help design a Quest—a treasure hunt, nature hike at the Kokte Ranch in Bayside. We will weave ideas and activities of local young people into this fun activity. This is an excellent opportunity to earn community service and volunteer time and to build up résumés and college applications. Also, this is an opportunity to learn & teach about the watershed. There may be other projects to assist with at JCLT – the Quest may just be a beginning.

Applications are due by January 30, 2009

Please mail this application to the JCLT at the address above. Expected time to volunteer will be approximately 1-2 hours week February - May, 2009. More projects may be available, depending on interest. For more info, call 822-0900 or email [HYPERLINK "mailto:jclandtrust@yahoo.com"](mailto:jclandtrust@yahoo.com) jclandtrust@yahoo.com.

Name: _____ Age: _____ Date:

Phone: _____ Email:

School or Group:

Most available time of week for a meeting: Weekday Afternoon or Evening Saturday morning

Saturday afternoon Other times _____ (please note preferences)

Please describe your previous experience in organizing projects and/or activities?

Do you have specific skills, for example - art, writing, birding, nature, woodwork, agriculture, leadership? These are not necessary, but may be helpful.

What other experience or interests do you have that correspond to the JCLT's mission to the protect land in the Jacoby Creek Valley and around northern Humboldt Bay for scientific, historic, cultural, educational, recreational, agricultural, scenic or open space values?
